This is an agreement between KOH Physical Therapy, Inc. (KOH PT) and the Patient/Responsible Party signed on this form. By executing this agreement, you are responsible for all medical bills and other charges that result from services rendered by KOH PT Deductible and co-payments are due at time services are rendered. If not paid by following visit, a fee will be assessed. No EXCEPTIONS.

It is our pleasure to assist you in maximizing your insurance benefit by completing your claim forms. As a courtesy, in addition to filing your claim, we will initially ask for your *estimated co-payment*. This is only an estimate based upon the information available to us. Once your carrier has paid the claim, any remaining balance is your responsibility. **Remember benefits quoted are not a guarantee of payment.**

MEDICARE PATIENTS Please be aware that you must have a new referral from your doctor in your file at our office every 30 days. Failure to obtain a referral will result in a denial of payment from Medicare. Your therapist will work with you and your doctor to obtain additional referrals. It is your responsibility to be aware of your personal insurance or **Medicare** requirements and benefits (including Physical Therapy) and to schedule accordingly. As a courtesy to you, we will bill your insurance for you. Should your insurance deny payment for any reason, you will be required to pay for anything not covered by your insurance.

ASSIGNMENT OF BENEFITS I hereby instruct and assign my insurance carrier to KOH PT for the professional/medical expense benefits allowable and otherwise payable to me under my current insurance policy as payment toward the total charges for the professional services rendered. THIS IS A DIRECT ASSIGNMENT OF MY RIGHTS AND BENEFITS UNDER THIS POLICY. I have agreed to pay, in a current manner, any balance of said professional service charges over and above this insurance payment. This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as an original. I hereby authorize said assignee to release all information necessary to secure the payment, via fax transmittal or hard copy. Medical records will be accessible to all therapists of KOH PT.

I understand that I will be explained the purpose of the therapeutic procedures prior to receiving treatment and that I may refuse any therapeutic procedure or treatment at any time. I understand that I may consult with other therapists and/or physicians at any time regarding my condition.

USUAL AND CUSTOMARY RATES KOH PT is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. All insurance companies are not the same in what they consider to be usual and customary fees. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates. We recommend that you read over your policy and contact your carrier if you have any questions regarding your coverage.

DENIAL, DELAY OR NEGLIGENCE KOH PT is not responsible if your insurance carrier denies, delays, or is negligent with its estimated co-payments. When delayed, we will extend the reimbursement period up to thirty (30) days from date of service. This time period will not be extended to patients who provide us with the incorrect insurance information, fail to keep the information current or fail to fill out the necessary forms which their insurance carrier may request in a timely manner. If your insurance carrier postpones payment for more than 90 days, we ask that you make the remaining payment while we work together to get the insurance carrier to pay the obligated amount.

PAST DUE ACCOUNTS Services are due and payable at the time they are rendered unless other arrangements are made in advance. A 10% finance charge will apply on accounts 60 days past due. If account becomes past due, we will take necessary steps in contacting you to collect this debt. If these attempts do not generate a response from you, your account could be subject to the following fees: Finance Charges (currently 10%), In House Collection Fees, Collection Agency fees and any Attorney fees.

MONTHLY STATEMENT: If you have a balance on your account, we will send you a monthly statement. Unless other arrangements are approved by us in writing, the balance on your statement is due and payable on or before the due date specified on the statement and is past due if not paid on or before that date. We do charge interest (10%) on all past due accounts; interest will begin accruing once the account becomes 60 days past due.

In signing this agreement, I consent to all of the terms and conditions contained herein and the agreement will be in full effect.

24 HOUR APPOINTMENT CANCELLATION AGREEMENT

It has always been our policy here at KOH Physical Therapy, Inc. to give our patients the benefit of the doubt when they forget to show up for an appointment or cancel an appointment with less than 24 hours notice. There may be a charge for a missed appointment or cancellation without proper notice. This charge will not be covered by insurance, but will have to be paid by you personally. Even if it is a last minute cancellation, we greatly appreciate you notifying us so we can attempt to schedule our waiting list patients into your space.

In an instance of a cancellation without 24 hours notice, or no-show to a scheduled appointment, we reserve the right to charge a \$ 50 fee.

- After the 1st offense a credit card number will be requested in the event that we need to charge you.
- Failure to provide credit card number on file will result in a standard cash rate charge for any subsequent Cancellation/ No Show Agreement infractions.
- No shows are to be paid by the following session or within one week of the incident, if not paid at that time they will be invoiced with a processing fee.

In addition, 3 “no-shows” (missed appointments without prior or any notification) OR cancellations less than 24 hours in advance combined may result in the loss of your physical therapy benefits. We are obliged to notify your referring physician about attendance or compliance problems and your physician may decide to discontinue your course of therapy.

This charge will not be covered by insurance, but will have to be paid by you personally.

We reserve the right to cancel all future appointments and withhold scheduling future appointments if:

1) The first and second penalty fees are not paid within a week of the offense, and/or Offenses including and after the third offense are not paid by the next appointment or within a week, whichever occurs first.

We guarantee the time and day of your scheduled appointment, but there could be changes to your booked Physical Therapist at times. This will not interrupt your treatment plan. If you miss an appointment due to change in PT, this is considered a non-24 cancel.

The main reason for this policy is that missed appointments create a hardship on our office and the continuity of your care and other patients. We have patients on our waiting list who are in need of a treatment or evaluation, and they cannot always come in with less than 24 hours notice.

Your commitment to attending your appointments, being there on time, and doing your home exercise program is critical for us to help you heal your injuries.

Please call 949-540-5641, during our office hours MON-FRI 9am-7pm, SAT 9:30am-1:30pm.

Our office DOES NOT make reminder phone calls for your appointments. We are happy to provide a print out of your future appointments. Thank you!

I understand the above policy, I agree with it.
